COMPANY PROFILE

Siam Quartz is a professional manufacturer of artificial quartz stone and newly established in 2022.

Thanks to the skillful engineers over 20-years experience in quartz stone, stable and superior quality control system, it has been developed as the leading quartz stone factory in Thailand. With 2 advanced high-tech production lines, its monthly production capacity reaches to 25,000sqm. The products ranges cover mono-color project collection, marbled collection, low silica collection and brand new printing collection, etc., there are more than 60 various designs available, and some special designs and colors as per customer's samples.

Especially for the full-body printed quartz stone slab, as its elegant and innovative designs, rich and delicate patterns, great handle for texture details, it has been developed as the most hot sale products series.

Each slab from Siam Quartz has to pass strictest lab test, known as safe product that can be used in direct contact food zone, strict QC system ensures each slab meets the requirement of every client, and high quality guaranteed to all business partners and end users.

Welcome to visit Siam Quartz, we devote ourselves to provide superior quality products and excellent service, unexpected surprise will come true unless you come in person.
